IPC 154-84

## INTELLIGENCE PRODUCERS COUNCIL

11 June 1984

MEMORANDUM FOR: Intelligence Producers Council  
FROM: Chief, Intelligence Producers Council Staff  
SUBJECT: Status Report of IPC Activities [redacted]

25X1

## I. The following is the status of current IPC activities.

a. Production Enhancement Initiatives (PEIs) [redacted]

25X1

Guidance for the FY86 PEI submissions was forwarded to the Director, Program and Budget Staff, IC Staff, for program managers. A copy of the guidance was forwarded to each member of the IPC. [redacted]

25X1

b. External Research Information Exchange [redacted]

25X1

The first annual review of the procedures for the exchange of information on external research studies was held on 5 June. The DDI opened the meeting with comments on the benefits to date of the exchange process. Recommended changes to the procedures will be circulated in July for IPC concurrence. Minutes of the meeting have been forwarded to the IPC members. [redacted]

25X1

c. Future Information Requirements [redacted]

25X1

The DCI approved the IPC proposal to take responsibility for the development and review of future information needs for Community planning guidance. A Staff study is underway for implementation of the Future Information Requirements Study. [redacted]

25X1

d. Support to Future SIGINT Capabilities Study [redacted]

25X1

The IPC Staff is supporting the SIGINT Committee-sponsored Future SIGINT Capabilities Study, primarily in the identification of future information requirements for several scenarios of world conditions. [redacted]
